

Dear New Horizons Learning Centre Community,

As spring arrives, bringing longer days and a renewed sense of energy across the school, we also find ourselves at the beginning of the exam season. This is an important and sometimes challenging time for our students, and I want to take a moment to recognise the hard work and commitment that have gone into preparing for this period.

Exams are an opportunity to show what you have learned and to take pride in your progress. I encourage all students to stay focused, look after their wellbeing, and approach each day with confidence and determination. Remember that your teachers and staff are here to support you every step of the way.

I wish all our students the very best of luck in the weeks ahead—you have worked hard for this, and we are proud of you.

Tania Craig
Executive Headteacher

A massive well done to our NHLC Bee's, NHLC entered our Runny Honey and a special edition Creamed Honey into the Keynsham Spring Festival and our Bee's did an amazing job last season. If you managed to purchase some, well you were having the best honey in the area!

Thank you Ian Clash for looking after our bees. 🐝

	<u>Dates to remember</u>
●	Bank holiday - 04/05/26
●	SATS - 11/05/26 - 15/05/26
●	GCSE Starts - 12/05/26
●	Governors Meeting - 18/05/26

- ★ In Little Acorns they will be learning all about the Seaside and have been busy writing postcards and investigating materials. They also had a visit from our resident author Beth to read them her book 'The Rockpool Three'.
- ★ In Year 3 students will be learning all about the Romans and are looking forward to visiting Caerleon Roman Legion Museum later in the term.
- ★ Year 4 is exploring Space and looking at exploration from Neil Armstrong to the most recent Artemis II mission.
- ★ Year 5 are investigating Ancient Egypt and have started the term by making some Egyptian Amulets.
- ★ Year 6's topic is Marvellous Mayans and they are busy preparing for their SATs and transition to Secondary School too.

Finn enjoys being in school every week, he usually attends on a Friday, The children love to visit him and show him their fantastic work. He attends puppy class every Thursday evening and is working towards his bronze award. The students are very good at helping him with his skills.

Next Friday 8th May CRC will be celebrating David Attenborough's 100th Birthday with a picnic and class based activities.
